11 Years of experience

Professional Bio:

Mark Pigott brings over a decade of international development experience, overseeing projects with a total value of more than $150 million across 13 countries. Most recently, he was the Senior Engagement Manager on the USAID Feed the Future Market Systems and Partnerships (MSP) Activity where he led eight market systems development activities with different USAID clients, including the development of 19 private sector partnerships to mitigate food loss and waste and improve agricultural sustainability in Kenya and Tanzania, to improve agricultural resilience in Mozambique, and to strengthen agricultural systems in Cambodia. Prior to joining MSP, Mark managed large, complex, USAID, Global Fund to Fight AIDS, Tuberculosis, and Malaria, and private sector-funded projects in Latin America and Sub-Saharan Africa.
